They shall ensure that the information is readily available on the spot during an audit and, if so requested, that data be handed over in an appropriate form.

Based on the findings made during the check, a provisional report shall be drawn up. It shall be sent by the EC or its authorised representative to the Beneficiary concerned, which may make observations thereon within one month of receiving it. The EC may decide not to take into account observations conveyed or documents sent after that deadline. The final report shall be sent to the Beneficiary concerned within two months of expiry of the aforesaid deadline.

Based on the conclusions of the check, the EC shall take all appropriate measures which it considers necessary, including the issuing of recovery orders regarding all or part of the payments made by it and the application of any applicable sanction.

The European Court of Auditors shall have the same rights as the EC, notably right of access, for the purpose of checks and audits, without prejudice to its own rules.

Should any provision of this Contract be or become invalid, illegal, or unenforceable, it shall not affect the validity of the remaining provisions of this Contract. In such a case, the Contracting Parties shall be entitled to request that a valid, legal, enforceable, and practicable replacement provision be negotiated which fulfils the purpose of the original provision.

The Beneficiaries shall not be entitled to act or to make legally binding declarations on behalf of the Coordinator or any other FOODITY consortium partner, and nothing in this Contract shall be deemed to constitute a joint venture, agency, partnership, interest grouping or any other kind of formal business grouping or entity between the Contracting Parties or between the Beneficiaries and any FOODITY consortium partner.

No rights or obligations of the Beneficiaries arising from this Contract may be assigned or transferred, in whole or in part, and no obligations of the Beneficiaries may be sub-contracted, without the Coordinator's prior formal written approval; and such approval shall not exempt the Beneficiaries from any of its obligations hereunder.

Although (with exception to the Coordinator) the FOODITY consortium partners and their affiliated entities are not Contracting Parties to this Contract, they are intended by the Contracting Parties to be third party beneficiaries under this Contract and accordingly shall be entitled to enforce the terms of this Contract against the Beneficiaries and (without limitation) shall be entitled to the benefit of, and to enforce any exclusion of limitation of liability of the FOODITY consortium partners contained in this Contract and any indemnity in favour of the FOODITY consortium partners contained in this Contract.

Amendments and modifications to the text of this Contract require a separate written agreement to be signed between all Parties. Although this Contract refers to the provisions of the CA and GA, the Beneficiary is not a party to the CA or GA but only bound towards the Coordinator by the CA and GA provisions as referred or reproduced in this Contract.

Article 15 - Settlement of disputes

If the Contracting Parties are unable to resolve a dispute amicably, such dispute will be finally settled under the Rules of Arbitration of the International Chamber of Commerce by three (3) arbitrators in Brussels.

Each of the Contracting Parties to the dispute shall appoint one (1) arbitrator and the two (2) arbitrators so appointed shall elect the presiding arbitrator. Should a Party to the dispute which should appoint an arbitrator fails to do so within fourteen (14) days of the delivery of the written notice to do so from the other Party to the dispute or should the appointed arbitrators fail to reach agreement on the presiding arbitrator within fourteen (14) days after their appointment, such arbitrator shall be appointed in accordance with the Rules upon request of any of the Parties to the dispute. The seat of arbitration shall be Brussels.

The Contracting Parties agree that the language of the arbitration, including oral hearings, written evidence, and correspondence shall be English.

A duly rendered arbitration award shall be final and binding on the Contracting Parties to the dispute.
